### **Detailed Rationale**

Infomerics has reaffirmed the ratings assigned to bank facilities of ACPL and rating continues to remain under Issuer Not Cooperating Category. The rating action reflects lack of adequate information available and the uncertainty around its credit risk. Infomerics assesses whether the information available about the entity is commensurate with its rating and reviews the same as per its policy.

The lenders, investors and other market participants are thus advised to exercise appropriate caution while using this rating as the rating may not adequately reflect the credit risk profile of the entity.

### **Press Release**

### Non-cooperation by Issuer

Infomerics has been regularly following up with the company to provide the required data & NDS to monitor its assigned rating to the bank facilities, vide mail communications dated September 13, 2024, September 17, 2024, and September 18, 2024, and concurrently over several phone calls. However, despite repeated requests by Infomerics, the company's management has not submitted the essential details/information for surveillance exercise.

Availability of information is very critical in the rating exercise. In the absence of the requisite information, in consonance with SEBI guidelines, Infomerics has to assign the rating based on the best available information.

Accordingly, the rating for the bank facilities of ACPL aggregating to Rs.95.00 crore has been reaffirmed at IVR D and continued under ISSUER NOT COOPERATING' category by Infomerics.
