*\*Outstanding as on July 31, 2021*

### Details of Facilities are in Annexure 1

### Detailed Rationale

The reaffirmation of the rating assigned to the bank facilities of Vidya Vikas Education Trust (VVET) continues to derive strength from the Universal Education Group's (UEG) strong and diverse presence across the education sector offering varied courses coupled with experienced board of trustees and strong management team, long track record of operations, satisfactory infrastructure with experienced faculties and satisfactory enrolment rates in the Institutes. The rating also factors in substantial improvement in financial performance of the group during FY21. However, these rating strengths are partially offset by the leveraged capital structure of the group with moderate debt protection metrics. Further, the rating also note the group's susceptibility to regulatory risk and intense competition in the sector.

Earlier the rating was placed under credit watch with developing implications due to uncertainty in the performance due to outbreak of COVID19, now it is removed from credit watch on the back of significant improvement in financial performance during FY21.

### Key Rating Sensitivities:

#### Upward factors

- Improvement in enrolment ratio leading to improvement in the operating income and profitability on a sustained basis
- Improvement in the capital structure with reduction in debt level and/or improvement in debt protection metrics
- Improvement in liquidity position

## Press Release

### **Downward factors**

- Dip in operating income and/or profitability due to decline in enrolment ratio impacting the debt protection metrics
- Higher than anticipated capital expenditure
- Deterioration in the capital structure and/or debt protection metrics and liquidity position

### **Substantial improvement in financial performance of the Group in FY21**

TOI witnessed a y-o-y growth of 9.16% from Rs.262.55 crore in FY20 to Rs.286.61 crore in FY21 driven by increase in student headcount as well as revision in fee structure across all institutes in FY21 fiscal year. Also, increase in revenue from book, stationery and uniform added to the increase in TOI in FY21. Absolute EBITDA increased substantially from Rs.69.75 crore in FY20 to Rs.131.46 crore in FY21 resulting in increase in EBITDA margin from 26.57% in FY20 to 45.87% in FY21. The significant increase in EBITDA margin in FY21 is on account of various cost reduction initiatives taken by the management like 1. Rationalising electricity usage, 2. Centralised books and uniform purchase resulting in economies of scale, 3. Rationalising of transport routes, 5. Effective staff deployment, etc. With increase in EBITDA margin, PAT margin also increased significantly from 0.16% in FY20 to 21.44% in FY21. GCA improved from Rs.23.18 crore in FY20 to Rs.82.41 crore in FY21.

### **Key Rating Weaknesses**

#### **Leveraged capital structure of the Group albeit improvement in debt protection metrics in FY21**

The debt profile of the group majorly consists of term loans from banks, small amounts of unsecured loans and bank overdrafts. The overall gearing though improved marginally yet remained high at 1.88x as on March 31, 2021 as against an overall gearing of 2.65x as on March 31, 2020 [considering subordinated long term unsecured loans of Rs.31.78 crore as on March 31, 2020 and Rs.103.03 crore as on March 31, 2021 from directors and relatives as part of adjusted net worth]. With increase in profits, interest coverage ratio and total debt to GCA also improved from 1.44x and 21.29x respectively in FY20 to 2.75x and 7.26x respectively in FY21.
