<sup>\*</sup>Short term facilities are the sub limit of long term bank facilities.

### **Details of Facilities are in Annexure 1**

### **Detailed Rationale**

The rating assigned to the bank facilities of Lord's Mark Industries Private Limited comfort from its experienced promoters and long track record of operations. The rating also factor its diversified business risk profile with healthy order book position indicating near to medium term revenue visibility and comfortable capital structure with healthy debt protection metrics. However, these rating strengths are partially offset by elongated operating, intense competition and exposure to risk related to tender based business.

### **Key Rating Sensitivities:**

### **Upward Factor:**

- ✓ Significant growth in scale of business with improvement in profitability metrics thereby leading to overall improvement in cash accruals and liquidity
- ✓ Improvement in the capital structure with further improvement in debt protection metrics

## **Press Release**

### **Downward factor:**

- ✓ Dip in operating income and/or profitability impacting the debt coverage indicators and/or moderation in overall gearing to more than 1.50 times
- ✓ Any significant rise in working capital intensity or unplanned capex leading to a deterioration in the liquidity position.
- ✓ Stretch in working capital cycle impacting the liquidity
- ✓ Withdrawal of unsecured loans from Sainik Industries Ltd. & Padamchand Jain Co
  amounting to Rs.42.93 Crores

### List of Key Rating Drivers with Detailed Description Key Rating Strengths

### Long track record of operations under experienced promoters

LMIPL was incorporated in 1998 by Mr. Sachidanand H. Upadhyay who is also the Director of the company. Initially the promoter started the business as a paper trader. In 2006, Company diversified its business into slitting the paper reels into copier sheet. In the same year the company got registered with DGS&D which is a central government procurement agency for all central government indenters such as railways, postal stores depot, defence organization and various other agencies of central government. Company has been an "A" grade vendor and Green Channel Partner with DGS&D.

Further the company entered into LED Bulb business in 2015-16 and took a leap to manufacture LED Products and Solar based LED Products. Company was selected one of 3 SMEs and 13 Corporates for supply of solar LED lighting system. Thus LED division as different vertical came into existence. Recently in the current year, Company further diversified its business into Pharma division and has been appointed as the official channel partner for Cipla Healthcare Ltd for selling its OTC products in government sector Pan India. Mr. Sachidanand H. Upadhyay has more than two decades of experience across different business verticals. Mr. Dines Tiwari who is another director of the company and has experience of almost 18 years in production and quality management.

## **Press Release**

### **Diversified Business Profile with Healthy Order Book Position**

Company has three diversified business divisions i.e. Paper Products, Solar LED and Pharma Division. Company supplies paper to railways, postal store depots of India Post, LIC etc. Under this division company reported revenue of ~Rs.99.25 crore in FY20. Further in LED and Solar Division Company is involved in execution of government contracts mainly for Uttar Pradesh New and Renewable Energy Development Agency (UPNEDA), Punjab Energy Development Agency, Assam Power Distribution Company Ltd. etc. The revenue generated from this division was ~Rs.129.22 crore. Company has associated itself with Cipla Healthcare Ltd for selling its OTC products in government sector Pan India. Further it has a strong unexecuted order book position w.r.t Solar and LED Division amounting to ~Rs.892 crore which is to be executed in next 2-3 years.

### Comfortable capital structure with healthy debt protection metrics

The overall gearing of the company stood comfortable at 0.48x as on March 31, 2020. The Entity is having comfortable debt protection metrics i.e. ISCR & DSCR stood at 2.66x & 2.17x in FY20 as against 1.93x & 1.65x in FY19. The Networth stood healthy at Rs.67.64 crore in FY20 as against Rs.66.52 crore in FY19. This is mainly due to long term investment by Sainik Industries Private Limited. This investment is done on account of agreement made to execute projects to complete supply and installation of Solar LED products. Further, total indebtedness of the company as reflected by TOL/ANW remained comfortable at 1.82x as on March 31, 2020.

### **Key Rating Weaknesses**

### **Elongated Operating Cycle**

The operating cycle was 102 days in FY20 (FY19: 95 days), with receivables period of 183 days (FY19: 113 days), inventory period of 70 days (FY19: 62 days) and payable period of 151 days (FY19: 81 days). This is because of delay in realizations from the respective government departments mainly w.r.t. Solar & LED Division. The operating cycle is expected to remain elongated and in line with the past period. However the counter party is government so the counterparty risk is mitigated.

## **Press Release**

### Intense Competition and Exposure to risk related to tender based business

Company is into the business of continuous paper, and into LED and Solar systems. Majority of the revenue is derived from successful bidding of tenders. Hence, the company will remain vulnerable to the tender-based nature of operations. There is high pressure on the margins also due to intense competition from established players in the LED, Solar and Paper segment.
